## Internet Technologies Practical No 9

Pratham Sharma, AC-1232

## Question:

Create an HTML page for an image gallery which shows the use of BOOTSTRAP to rearrange and resize its contents on resizing the browser.

## Code:

```
<html>
    <head>
        <title>Practical 9</title>
            href="https://cdn.jsdelivr.net/npm/bootstrap@5.2.2/dist/css/b
ootstrap.min.css"
            rel="stylesheet"
            integrity="sha384-
Zenh87qX5JnK2Jl0vWa8Ck2rdkQ2Bzep5IDxbcnCeu0xjzrPF/et3URy9Bv1WTRi"
            crossorigin="anonymous"
        />
    </head>
    <body>
        <div class="row py-4">
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                <img
                    src="img1.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
                />
            </div>
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                <img
                    src="img5.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
```

```
/>
            </div>
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                <img
                    src="img3.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
                />
            </div>
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                    src="img4.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
                />
            </div>
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                    src="img2.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
                />
            </div>
            <div class="col-lg-4 col-md-6 col-sm-12 mb-4">
                    src="img6.jpeg"
                    class="img-fluid bg-warning px-1 py-1"
                    width=" 600"
                    height="374"
            </div>
        </div>
        <div class="d-grid gap-3"></div>
    </body>
</html>
```

## Output
